

ARAT Telephone mount

Type: Mitsubishi Pajero
Model 2001 onwards

Part No: 1068.2

Installation instruction

1. Remove the radio from its housing
2. Remove the screw at POINT 1 and pull the front panel forwards, off of its spring clips, remove the screw at POINT 2, open the bottom glove compartment
3. Place the ARAT mount to the contours of the dashboard, slide the metal plate between the storage tray and side of dashboard
4. Secure the mount through the top bracket with the previously removed screw at POINT 2, and with the supplied screw 4.2 x 13 through the right bracket into the inside edge of the glove compartment (pre-drill)
5. Replace the front panel and radio
